CYBERPHOBIA: IDENTITY, TRUST, SECURITY AND THE INTERNET (HARDBACK)

Bloomsbury USA, United States, 2015. Hardback. Condition: New. Language: English. Brand new Book. Cybercrime is increasingly in the news. Stories about weaknesses in cybersecurity like the "Heartbleed" leak, or malicious software on the cash registers at your local Target have become alarmingly common. Even more alarming is the sheer number of victims associated with these crimes--the identities and personal information of millions is stolen outright as criminals drain bank accounts and max out credit cards. The availability of stolen credit...
